

## July 2015 Newsletter

### Messy Church is...

- A form of church for children and adults that involves creativity, celebration and hospitality.
- It's primarily for people who don't already belong to another form of church.
- It typically includes a welcome, a long creative time to explore the biblical theme through getting messy; a short celebration time involving story, prayer, song, games and similar; and a sit-down meal together at tables. All elements are for, and should include, people of all ages, adults and children.
- It's fun.
- It's a church for people at all stages of their faith journey.
- It is about worshipping God, having fellowship and exploring faith matters.
- It models and promotes good ways of growing as a family: a nuclear family, an extended family, and a global and local church family.
- Its aim is to introduce Jesus, to give an opportunity to encounter Him and to grow closer to Him.
- Most Messy Churches meet once a month, although a few meet more frequently or more occasionally. In the words of Claire Dalpra of The Sheffield Centre: *Messy Church is an all-age fresh expression of church that offers counter-cultural transformation of family life through families coming together to be, to make, to eat and to celebrate God.*
